Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Bailey Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Shawn Vondra for assistance.

The AER is available for you to review electronically by visiting the following web site www.hillsdaleschools.org or you may review a copy from the principal's office at your child's school.

Bailey Elementary School changed the school code numbers last year due to the reconfiguration of the elementary schools. Due to this change the results have not been able to be identified with Bailey elementary School. In previous years Grades 3 and 4 and 5 were reported to Gier Elementary School. For the 2010-2011 school year Grades 3 and 4 were located at Bailey Elementary School and Grade 5 was located at Davis Middle School. When the Michigan State Report Card is accessed no grades are reported for Bailey Elementary School. Lois Foster, Bailey principal, appealed to the State to have this issue addressed and was informed that this was due to the change with the code numbers.

Hopefully this situation will correct itself during the 2011-2012 school year and our data will be available on all State websites.

Sincerely,

Lois Foster
Bailey Elementary School Principal
