

Mauck Elementary School Annual Education Report

September 7, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Mauck Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Lois Foster for assistance.

The AER is available for you to review electronically by visiting the following web site <http://schoolwires.com> or you may review a copy from the Bailey principal's office at your child's school.

The data for Mauck Elementary School shows that Mauck is a Title One school. It does not have AYP scores as they are not applicable to preschool and kindergarten. There is no grade for the Education Yes Report Card and the School Improvement status is not applicable. There are 0 years in improvement. This was Mauck Elementary School's final year of operation as an early childhood building. The grade levels of Kindergarten and the Early Childhood Special Education sections will be housed at Gier Elementary School for the 2010-2011 school year and the Great Start Readiness Program will be housed at Bailey Elementary School

Sincerely,

Lois Foster

Mauck Elementary Principal
