This form offers you an opportunity to request teacher preferences for the next school year. **Filling out the form does not guarantee requested placement.** We certainly will make every effort to accommodate your request. Class size, class balance and good educational practices will be priorities in establishing the class lists within each grade level.

Class balance applies to numbers of students having similar characteristics in each classroom across the grade level – examples: boy/girl ratio, levels of student achievement and student citizenship.

Please do list 2nd and 3rd teacher choices to help school personnel make placement decisions for your child **if** your 1st choice cannot be granted. Openings could arise and result in a few of our current teachers changing grade levels and/or new staff hires as well.
