

Davis Middle School

Car Riders

Arrival

Parents wishing to drop off their child to Davis should ONLY drop off from Westwood Street (North of the school). This street will be one way only, so please turn on West Street, then take a left on Westwood to drop off (school will be on the left). We are asking that parents stagger the drop off time, by last name, to allow for a quicker drop off and safer passage through the hallways.

A-J 7:45

K-R 8:00

S-Z 8:15

Health screenings will be conducted *before* students exit the car. Parents and students need to stay in the car. Staff will screen students and assure children enter the school safely. Parents will not be allowed to walk students to class. If you'd like to conduct the health screening in your home prior to arrival, please see the district website for more information. After the health screening, students will enter the building by using the doors in the Northeast corner of the building.

Dismissal

Students who are picked up at the end of the day will be dismissed at 2:45pm. Please pick your student up from Westwood Street only. No students will be allowed to go to the front of the school like last year. To avoid crowds, we ask that you follow these guidelines and stay in your car.

Walking Students

Arrival

Students who walk to school can begin to arrive at 8:00am. These students will enter through the front of the building by the office. There will be a health screening conducted before students enter the building. If you'd like to conduct the screening at home, please see the district website for more information.

Dismissal

Students who are walking home will be dismissed from school at 3:00pm.

Thank you for your cooperation and understanding during these challenging times!
