

Student Face Covering Medical Exemption Request

Pursuant to Executive Order 2020-142 (or any successor order) and consistent with guidance from the United States Centers for Disease Control and Prevention, the Hillsdale Community Schools requires students to wear face coverings during some or all of the school day to prevent the spread of COVID-19.

To be completed by parent/guardian

I request that my child, _____, not be required to wear a face covering while at school because my child cannot medically tolerate wearing a face covering.¹ I understand that:

1. by not wearing a face covering at school, my child may be at increased risk of contracting or spreading COVID-19;
2. the school may take additional safety precautions, including requiring my child to wear a face shield or other personal protection equipment, to protect others from contracting COVID-19;
3. the school may consider alternative learning options for my child, including whether distance learning is appropriate; and
4. my child may be referred for an evaluation to determine if a disability prevents my child from wearing a face covering and whether and to what extent accommodations will be provided.
